

PRIMARY FLUID SYSTEMS INC.

As of November 1st, 2022, Primary Fluid Systems Inc. has undertaken a review of its compliance with a variety of international directives. The following directives are covered below:

REACH (1907/2006/EC)	Page 1
EU RoHS directives (2011/65/EU and 2015/863/EU)	Page 1
Resolution MEPC.197(62) (Hong Kong Convention/IMO)	Page 1
China RoHS (MIIT Order 32)	Page 1
Ozone Depleting Substances Regulations; ODS (1005/2009/EC and 2037/200/EC)	Page 2
Fluorinated Greenhouse Gases Regulation; GHG (517/2014/EC)	Page 2
Batteries Directives (2006/66/EC and 493/2012/EC)	Page 2
Packaging Directives (94/62/EC and 2004/12/EC)	Page 3
Persistent Organic Pollutants Regulation; POPs (850/2004/EC)	Page 3
California Proposition 65; PROP 65 (Safe Drinking Water and Toxic Enforcement Act of 1986)	Page 3

Directive	Directive Summary	Applicability to Primary Fluid Systems
<p align="center">REACH (1907/2006/EC)</p>	<p>Directive REACH 1907/2006 concerns the registration, evaluation, authorisation, and restriction of chemical substances, to ensure a high level of protection of human health and environment.</p>	<p>Primary Fluid Systems does not supply any article containing “Substances of Very High Concern” (SVHC) above the 0.1% threshold as stated in REACH.</p>
<p>EU RoHS directives (2011/65/EU and 2015/863/EU)</p>	<p>Directives 2011/65/EU and 2015/863/EU restrict the use of certain hazardous substances in electrical and electronic equipment.</p>	<p>We declare that Primary Fluid Systems Inc. Rotameter Switch does not contain:</p> <ul style="list-style-type: none"> • Lead (Pb) • Mercury (Hg) • Cadmium (Cd) • Hexavalent Chromium (Cr6+) • Polybrominated biphenyls (PBB) • Polybrominated diphenyl ether (PBDE including DecaBDE) • Phthalates (DEHP, BBP, DBP, DIBP) <p>in concentrations exceeding permitted limits of 0.1% (weight percent).</p>
<p>Resolution MEPC.197(62) (Hong Kong Convention/IMO)</p>	<p>Resolution MEPC.197(62) provides recommendations to assist in compliance with regulation 5 (Inventory of Hazardous Materials) of the Hong Kong International Convention for the Safe and Environmentally Sound Recycling of Ships</p>	<p>Not regulated – Primary Fluid Systems Inc. is not involved in the recycling of ships, ship components or ship parts.</p>
<p>China RoHS (MIIT Order 32)</p>	<p>China RoHS (MIIT Order 32) Directive requires that specific electrical and electronic equipment products do not contain mercury, cadmium, hexavalent chromium, PBB, PBDE, lead, DEHP, BBP, DBP</p>	<p>We declare that Primary Fluid Systems Inc. Rotameter Switch does not contain:</p> <ul style="list-style-type: none"> • Lead (Pb) • Mercury (Hg) • Cadmium (Cd) • Hexavalent Chromium (Cr6+)

	and DIBP above defined thresholds.	<ul style="list-style-type: none"> • Polybrominated biphenyls (PBB) • Polybrominated diphenyl ether (PBDE including DecaBDE) • Phthalates (DEHP, BBP, DBP, DIBP) <p>in concentrations exceeding permitted limits of 0.1% (weight percent).</p>
Ozone Depleting Substances Regulations; ODS (1005/2009/EC and 2037/200/EC)	Regulation 1005/2009/EC and 2037/200/EC governs: (i) the production, import, export, placing on the market, use, recovery, recycling, reclamation, and destruction of substances that deplete the ozone layer, (ii) the reporting of information related to those substances and (iii) the import, export, placing on the market and use of products and equipment containing or relying on those substances.	Not Regulated – Primary Fluid Systems, Inc. does not manufacture, produce, process, handle, dispose of, use, store, hold, or transport ozone depleting substances, nor does it import them to, or export them from the European Union.
Fluorinated Greenhouse Gases Regulation; GHG (517/2014/EC)	Fluorinated Greenhouse Gases Regulation 517/204/EC aims to protect the environment by reducing emissions of fluorinated greenhouse gases.	Not regulated – No emissions of fluorinated greenhouse gases are emitted during the production, import or export of Primary Fluid Systems Inc. products.
Batteries Directives (2006/66/EC and 493/2012/EC)	Battery directives 2006/66/EC and 493/2012/EC regulates the manufacture and disposal of batteries and accumulators.	Not regulated – Batteries and accumulators are not manufactured or disposed of by Primary Fluid Systems Inc.

<p>Packaging Directives (94/62/EC and 2004/12/EC)</p>	<p>EU Directive on Packaging and Packaging Waste (94/62/EC and 2004/12/EC) restricts the presence of specific heavy metals in packaging (Hg, Pb, Cr6+, Cd) with the goal of protecting the environment from hazardous substances and materials.</p>	<p>Not regulated – Primary Fluid Systems Inc. packaging does not contain heavy metals.</p>
<p>Persistent Organic Pollutants Regulation; POPs (850/2004/EC)</p>	<p>Persistent Organic Pollutants regulation (850/2004/EC) aims to protect human health and the environment from persistent organic pollutants by prohibiting and restricting the production, placing on the market and use of substances subject to the Stockholm Convention on Persistent Organic Pollutants and the 1998 Protocol to the 1979 Convention on Long-Range Transboundary Air Pollution on Persistent Organic Pollutants.</p>	<p>Not regulated – Primary Fluid Systems Inc. products do not contain substances regulated by Persistent Organic Pollutants Regulation (850/2004/EC).</p>
<p>California Proposition 65; PROP 65 (Safe Drinking Water and Toxic Enforcement Act of 1986)</p>	<p>California’s Proposition 65, formally known as the Safe Drinking Water and Toxic Enforcement Act of 1986, requires businesses to provide warnings to customers in the state of California if they may be exposed to chemicals which are known to cause cancer, birth defects, or reproductive harm. Businesses and manufacturers are obligated to warn potential customers of these risks by providing warnings, either in the form of labels, letters, or signs.</p>	<p>Not regulated – Primary Fluid Systems has assessed each of its products and materials for exposure risk and has determined that our products do not contain substances regulated by California’s Proposition 65 in concentrations or forms that would result in harmful exposure. As a result, warnings are not necessary for our products.</p>
